Who We Are

India's Dedicated Healthcare Research Panel

Indian Medical Panel (IMP) is a credentialed community of verified healthcare professionals across India's Metro and Tier 1 cities — including doctors, surgeons, nurses, dietitians, and clinical specialists.

We connect pharmaceutical companies, hospital networks, policy bodies, and research organisations with MCI / State Medical Council-verified practitioners to generate actionable, evidence-based insights.

All data is fully anonymised and handled in strict compliance with the Digital Personal Data Protection (DPDP) Act.

- MCI / State Council Credential Verified Only
- Fully Anonymised & DPDP Act Compliant
- Metro & Tier 1 City Coverage
- 18 Clinical Specialties Represented

Data Quality & Verification

Our Verification Framework

01

Professional Registration Check

Verified against MCI / State Medical Council databases

02

Credential Document Validation

Degree certificates, specialization and institution verified

03

Identity & Contact Verification

Email OTP and mobile OTP for every new member

04

In-Survey Quality Monitoring

Attention checks, consistency filters, open-end review

05

DPDP Act Compliance

All data anonymised per Digital Personal Data Protection Act
